## PARENT EDUCATOR MEET

“It is the little conversations that build the relationships and make an impact on each student” – Robert John Meehan

Delhi Public School Ballabgarh believes that a parent-teacher conference is a great opportunity to share academic progress and growth based classroom observations, activities and assignments. Parent Teachers Meeting for classes Pre-Nursery to XII was held on 29th of October 2022. The event witnessed around 85% attendance thus displaying enthusiastic interest among parents for the smooth working and progress of the school. The main objective of the meeting was to create a common platform, where teacher and parents came together to discuss student's performance and devise ways to enrich their learning experience.

The result comes as a testimony of the hard work and opens up the doors for a brighter future for them. The teachers briefed the parents about their ward's performance during exams. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance. Parents were encouraged to appreciate

## DPS BALLABGARH Wishes Glistening Diwali to Escalate Prosperity

Diwali celebrates the victory of Good over Evil, Light over Darkness, Bliss over Ignorance and Immortality over Death. It is the festival of lights – light that empowers us to commit ourselves to good deeds and brings us closer to divinity. Diwali is certainly the biggest and the brightest of all Indian festivals.

Delhi Public School, Ballabgarh celebrated Diwali with great devotion and religious zeal. The school was lit up with colorful lightings on the auspicious occasion of Diwali.

An Inter-House Rangoli competition was conducted to enhance the creative skills of the students. The stunning designs of rangoli were alluring and fascinated the spectators.

The students continued the Diwali celebration with the making of lanterns and decorated diyas. Colourful wall hangings prepared by the students were one of the brilliant attractions of the competition. The school wore a festive look with decorated pots, diyas and lanterns adorning the

reception and corridors of the school. Students were briefed on ill-effects of burning crackers

and were urged to celebrate the festival with candles, sweets and non-polluting green crackers. The entire presentation filled the hearts of all students with the spirit of Diwali and they enjoyed the celebrations wholeheartedly.

## English Language Activity in Pre – Primary Wing

Children from the class Nursery and Prep participated in English speaking activity. The theme for class Nursery was "butterfly" and for the class Prep was "letter 'O'". Each child brought a prop and spoke a few lines as per given topic. The students participated in this activity which helped them to build their self-confidence and self-esteem. All the students were excited to share the descriptive narration and waited eagerly for their turn. # DPS BALLABGARH SCHOOL GOT LAURELS IN STATE LEVEL SGFI GAMES RIYA SELECTED FOR NATIONAL IN TAEKWONDO

Champions are not made in the gyms. Champions are made from something they have deep inside them -- a desire, a dream, a vision". Physical Education equips students with essential knowledge and skills needed to function effectively in young age. Physical education is an important part of total education these days and we at DELHI PUBLIC SCHOOL BALLABGARH balance it with the proper coaching in sports as well as in education. Our Champions have actively participated in Taekwondo, Relay Race, Hurdle Race, Boxing and Other on-field sports activities. The

**Riya Dutt**  
Selected for National in Taekwondo

students have made Delhi Public school proud at many Districts and State platforms this year. Riya is also selected for National Taekwondo Championship to be held in Kerala. Obtaining knowledge is important but having the confidence to share and seek others' views, especially those outside of your sport, is a key quality. The best coaches clearly understand they are there to educate the athletes. An effective coach communicates well and exudes credibility, competence, respect and authority. You should be able to explain ideas clearly. Clear communication means

setting defined goals, giving direct feedback and reinforcing the key messages. Acknowledging success is also essential for good communication. RICHIA SHARMA was awarded with THE BEST COACH

TROPHY in the event, which proves the above lines. We congratulate the winners and all the participants. Sports events like this gives a chance not only for bonding and recognizing winners within the institution but gives a chance to showcase the collective talent. A winner exists because someone dared to stand up and lose. Sports teach us how to work in harmony with

of academic routines. It inspires the participants and spectators as well. They build physical stamina and teaches us to take victories and defeats as part of life. A loser provides a winner a scale to measure his or her success. You need to remember that

other people, accept defeats with equal ease and work with unity. Sports competitions fill us with enthusiasm which is a vital change from the cycle

the winner is not twice as much better than a runner up but a loser should analyze their performance and set new winning mission strategies.
